

GNP+NA

is the North American affiliate of the Global Network of People Living with HIV/AIDS (GNP+). The mission of GNP+NA is to improve the quality of life of people living with HIV/AIDS by creating and sustaining an active North American network of PLWHA's working regionally to address the global pandemic. GNP+NA endorses the vision of GNP+ to improve the quality of life of people living with HIV/AIDS by lobbying, linking and sharing.

GNP+NA operates a unique bilateral organization providing PLWHA's living in Canada and the United States with opportunities to network, organize, and become part of a global movement of PLWHA's.

The overall aim of GNP+ is achieved by helping to build the capacity of people with HIV/AIDS on the global, regional and national level. The goal of GNP+ is to create, organize and support a base for the global network by:

LOBBYING for inclusion of people living with HIV/AIDS and their interests

LINKING people living with HIV/AIDS through local, regional and global meetings and conferences

SHARING knowledge and building capacity locally, regionally and globally

GNP+NA is working to implement a series of activities to impact public policy-making by informing and mobilizing the HIV+ community around three key issues:

- ◆ Access to treatment and care;
- ◆ Elimination of stigma and discrimination, especially in the area of travel and immigration restrictions; and
- ◆ Implementation of the Greater Involvement of People living with HIV/AIDS (GIPA) Principle, the globally recognized belief that HIV+ people must have meaningful involvement in every level of decision-making that impacts their lives.

GNP+NA receives some operational funding from GNP+ but relies on the generosity of private donors to fulfill its important mission. Please consider supporting GNP+NA with a generous donation.
